

Working at SafeGroup

Know someone who might be interested?
Share this with them!

**Do you want a very varied and exciting job with the opportunity to build a career?
Do you want to work for a company that's the best at what it does, helps protect the environment and really impresses its customers?**

Then take a look at us. We're a specialist cleaning, waste management and pest solutions business, relied on by some of the UK's biggest businesses. And we're growing fast, so do you want to join us?

Never a dull moment

No two days are ever the same at SafeGroup – so you'll have a new challenge every day.

Are you good with customers?

We want colleagues who like pleasing people, reassuring our customers by keeping them informed.

Don't like being stuck indoors?

Good. Our field operatives have to travel. So you will get out and about.

We make a real difference for our customers and for the wider public.

Like the sound of that? Get in touch.

Opportunities for all

We work 24/7 and 365 days a year. If you don't like 9-5, that's great.

But if you can only work at certain times, we want to hear from you too.

Teamwork is important.

But so is working independently instead. We have roles great for both.

Long term career goals?

Call SafeGroup, because we're looking for people who want stability.
