

# Services the FM Sector Can Trust

## Planned, Periodic and Reactive

Your Emergency is our **Everyday**

# Why choose SafeGroup as your FM partner

Since Steve Broughton founded SafeGroup in 2004, it has developed exclusive expertise and experience in supporting FM clients.

Steve has supported that process by bringing in key senior directors from the FM sector, including Chairman Martin Gammon and Managing Director Mike Drake. Creating a strong team that understands FM inside out.

## One call – less cost

Managing multiple tasks is a huge challenge for FM professionals. SafeGroup brings together fragmented supply chains under one roof, so we can give our clients the best rates.

## Consistent and compliant

Our FM clients can count on national services provided by fully trained, in-house teams, self-delivered with the best compliance and to a consistent high quality.

## Making it easy

SafeGroup has a dedicated customer services team whose job is to make sure it is as easy as possible for clients to access our services, day and night, no matter what the challenge.

## Integrated service

We are leading the way in making sure FM clients get smooth, integrated service. That includes investing in new hybrid vehicles for delivering cleaning and waste services at the same time.

## Digital edge

SafeGroup teams use the latest digital technology so our service is as efficient and sustainable as possible, and clients get the best real-time data on service delivery and performance.

## Introducing a new concept in environment hygiene.

Touchpoint Shield™, from SafeGroup, is an advanced antimicrobial coating that prevents the build-up of bacteria and viruses, including SARS-CoV-2, on both hard and soft surfaces.

Touchpoint Shield™ helps our clients protect their teams and customers against potentially harmful microorganisms, enhancing wellbeing, while significantly controlling cleaning costs.

**NEW  
Service**

## Touchpoint Shield™ – 6 Key Benefits

- ✔ Destroys harmful microorganisms including SARS CoV-2
- ✔ Highly durable – lasts up to three years
- ✔ Near invisible – no change to look of space
- ✔ Reduces cost through reduced touchpoint cleaning
- ✔ Improves staff and customer confidence and wellbeing
- ✔ Sustainable support for long-term hygiene strategies in new 'hybrid' work environments

- + Proven protection against microbial threats
- + Enhanced reassurance and wellbeing
- + Reduced cleaning cost
