

Case Studies | Planned & Reactive Specialist Cleans

M&S

“

SafeGroup delivers specialist and reactive cleaning services across the M&S estate, covering both food and department stores. We rely on their service nationally across a combined 1000+ store list.

SafeGroup offers a genuine partnership approach, through bespoke management systems and dedicated personnel. It is constantly seeking to improve and overdeliver.

From floor and carpet cleaning to emergency flood or sewage response cleans, SafeGroup delivers an end-to-end service that ensures we are operational and compliant. Its quality of work is backed up by its communication and reporting. This is testament to our successful and continually growing partnership.
